***REVIVAL IN ZAMBIA!***

In March, 2023, Pastor and Sister Greg Riggen (Olathe, Kansas), traveled to the country of South Africa. This was the first trip Pastor Riggen has been able to make since COVID struck in 2020. In South Africa, they met up with Missionary and Sister Jessie Stewart and their son Hayden. After a couple days of rest and preparation, the team traveled to Zambia for a doctrinal conference in the capital city of Lusaka. They had planned on (and budgeted for) a crowd of 250, but the number exceeded their expectations! The attendance was actually around 300! Each session was inundated with the glory of God. Revelation swept the house as the subject of baptism in Jesus was taught, and again during the session on the Godhead. By the end of the conference, 65 had been baptized in Jesus' name!

The day after the doctrinal conference, Missionary Stewart and Pastor Riggen conducted a two-day training seminar for those who had accepted and obeyed the truth. Furthermore, by employing the conferencing technology of Zoom, these sessions were attended by hundreds of other ministers across Africa. There were participants from Botswana, Eswatini, Malawi, and Zimbabwe. There were also participants from other cities in Zambia.

***A GREAT AND EFFECTUAL DOOR!***

---

Recently, Missionary Jessie Stewart developed a friendship with a man originally from Nigeria who is currently living in Zambia. This man, Bishop Wealth Moses, heads up an organization of approximately 2,000 ministers that stretches from Africa to Pakistan. Bishop Moses has accepted the truth, and wants to put together a Zoom conference in which all the ministers in his organization can be presented with the truth.

Please pray for Missionary Stewart, Pastor Riggen, and Bishop Moses that this conference can be organized. Most of all, pray that it will be effective and that many (if not all) of these 2,000 ministers will come to know and obey the message of Acts 2:38 and will receive a revelation of the Mighty God in Christ!
