It is hard to believe that 2015 is already here! It is amazing how swiftly time passes, especially when you are busy doing the work of the Kingdom!

This year is going to be a very busy one for A2Z Missions, as doors continue to open for us. The word is spreading concerning this Apostolic message, and many people in many countries are hungry to hear more about it.

On February 2, we will travel to Harare, Zimbabwe for another week of teaching. At this moment, it looks as if we may have one of our largest crowds since October 2013 when we taught approximately 300 ministers. We are doing our best to reassemble that group so that we can try to get them even better grounded in the truth.

Certain individuals there have been doing their best to thwart our efforts, but we are confident God's truth will be victorious. We are trusting God's promise that no weapon formed against will prosper.

We will return to Zimbabwe exactly one month later, heading there on March 2. This time, we will be going back to the city of Bulawayo. There, we will spend one day in strengthening those already converted and two days teaching more Trinitarian preachers who are hungry to hear the truth. The following Monday, we will fly to Botswana. We will be conducting a doctrinal seminar for an entire ministerial fellowship in the city of Francistown. We baptized the president and secretary of the fellowship last October, and they have requested that we come and teach the whole group.

By the way, contained in these first paragraphs is the reason for the title: "One, Two, Three!" In ONE month, we will travel to TWO countries, and conduct THREE seminars! It almost seems overwhelming, but the Lord is our strength. He will undoubtedly help us.

To conduct three seminars in two countries in one month, however, will be extremely expensive, and we need your help! Each seminar generally costs about \$5,000, not counting airfare, lodging, and other personal expenses. Your generous contribution to this effort is greatly needed at this time.
